

❖ **In order to do well in this course, you must:**

- prepare for your presentation, read the corresponding section(s) of the text book and do research online if necessary
 - prepare your question(s) for other presenters and submit them to everyone, including your instructor, 24 hours before the lecture
 - the format of your presentation is your choice
 - ask questions
 - be able to upload your homework solutions to Canvas in one pdf formatted file with your name on every page.
-
- ❖ All Zoom sessions are mandatory. Your grade is lowered by at least one letter grade if you are absent more than three sessions.
 - ❖ There will be tentative weekly plans posted on Canvas for the current week activities.
 - ❖ You must log into Canvas everyday so that you are aware of the meeting, Homework, et., and any changes made to the tentative weekly plans.
 - ❖ You must log into Canvas to see your numerical grades.
 - ❖ You must contact me if you have any questions about your grades.
 - ❖ You must be able to join all the mandatory Zoom sessions with both audio and video available.
 - ❖ You must do all your homework using R, or SAS
 - ❖ There will not be any extra credit.
 - ❖ There will not be any curving.
